Subject: Microsoft Settlement

US DOJ,

We support the proposed settlement to the above case and encourage the close of this case as quickly as you deem possible. Microsoft is good for us, the consumers, who want ease of use and access to tecknology to use in our every day lives. It is good for the USA and for jobs.

Please do not delay and put an end to the embarassing government interference over the last few years.

Thank you

Alina & Raul Silvestre

Wesrlake Village, Ca.
